## **Information on the conditions of personal data processing**

Thank you for your job application and your interest in our company.

Your personal data contained in the job application and its attachments (e.g. in the CV) will be processed in accordance with the applicable legislation, in particular the provisions of the General Data Protection Regulation (EU) no. 2016/679 ("GDPR"). Please read the following information on the terms of processing of your personal data and on the possibility of granting the consent with the retention of personal data for future vacancies.

### **Controller, recipients of data:**

Your personal data will be processed by our company **Solargis s.r.o.**, with the registered office at Milana Marečka 3, 841 07 Bratislava, ID: 45 354 766 in the position of the controller. We send your application for employment and its attachments only to our internal employees and departments responsible for the application process. Your personal data will not be provided or made available to any third party.

### **Purposes and legal basis for the processing:**

We will process and use your personal data only in connection with the processing of your application for employment in our company. Based on the data provided, we will decide on your suitability for the job. The legal basis for such processing of personal data is the adoption of steps at the request of the data subject prior to entering into a contract (pre-contractual relations) under Art. 6 (1) letter b) of the GDPR. In case your application is successful, the data you have provided can be used during the course of your employment relationship. The legal basis of such processing is the performance of the employment contract under Art. 6 (1) letter b) of the GDPR.

### **Storage period:**

If we cannot offer you employment with our company, we will delete the data you have provided during the application process.

In case you would like your application to be considered also for future vacancies, you have the possibility to **grant the consent with the retention of your personal data for the period of two (2) years**. If you consent to this, we will contact you if you have the necessary qualifications for another position that is to be occupied during this period. You can revoke the consent at any time by sending an email to **contact@solargis.com**. In case of revocation, we will immediately stop processing the respective personal
